## REGISTER TODAY FOR PRAIRIE INCENTIVES WORKSHOP

DATE: Monday, March 26

TIME: 11:00 am – 5:30 pm (check-in begins at 10:00 am)

LOCATION: AuSable Institute, 180 Parker Road, Coupeville

Due to the scarcity of prairie and oak woodlands in the North Puget Sound region, there are many resources to help private landowners restore these habitats. Attend this workshop to learn about programs and incentives for prairie landowners. Speakers include representatives from Project Bluebird, Natural Resources Conservation Service, Whidbey Camano Land Trust, and U.S. Fish and Wildlife Service.

**This is a free event.** Lunch will be provided to the first 35 registered guests. Registration deadline is noon, Thursday, March 22. Register by phone: (360) 222-3310 or by email: info@wclt.org. Visit *www.wclt.org* for more information.

*Less than 1% of the remaining prairie and oak woodland habitats are protected in parks or reserves. Private landowners hold the key to maintaining this important natural legacy.*
