

Presenting Author(s)		Entity	Additional Authors (if applicable)	Presentation Title
Fredrica	Bowcutt	Evergreen State College	Sarah Hamman, Lisa Hintz, Rose Edwards	Vascular Plants of the South Sound Prairies
Patrick	Dunn	Center for Natural Lands Management		Mazama Meadows - Conservation Bank for Gophers and Prairies
Loretta	Fisher	University of Washington	Jonathan Bakker, Peter Dunwiddie	Seed Production and Viability of Putative <i>Castilleja Levisecta</i> x <i>C. Hispida</i> Hybrids
Hannah	Gilbert	Institute for Applied Ecology/Student	Matt Bahm, Denise Giles-Johnson, Erin Gray	Survey and Monitoring Methodology in Conservation Biology
Denise	Giles-Johnson	Institute for Applied Ecology	Matt Bahm, Erin Gray	Adaptive Coastal Prairie Restoration: Initial Results from an Ongoing Study
Karen	Holtrop	US Forest Service	Ann Potter, David Hays, Ted Thomas	Taylor's Checkerspot Butterfly Habitat on the Olympic National Forest
Sarah	Krock	Joint Base Lewis-McChord		Seeding Time Trials for Selected South Puget Sound Prairie Species
Christa	LeGrande	Joint Base Lewis-McChord		Brush Removal Monitoring: Evaluating Effectiveness of Mowing as a Method to Reduce Re-Growth of Scot's Broom (<i>Cystisus Scoparius</i>)
Eric	Myers	Joint Base Lewis-McChord		Military Training Land Rehabilitation: Methods Used to Rehabilitate Training Lands on Joint Base Lewis McChord
Deborah	Nemens	Virginia Tech	J. Morgan Varner, Kathryn R. Kidd, Brian Wing, Jesse K. Kreye, Nicole Vaillant	California Black Oak Resprouting Across Recurring Fire Severity Gradients
Elizabeth	Records	Greenbelt Land Trust		Restoration opportunities and challenges on a multi-use public access site: oak and prairie work in progress at Bald Hill Farm Conservation Area
Anne	Schuster	Wolf Haven		Wolf Haven's Role in Endangered Species Recovery
Gary	Slater	Center for Natural Lands Management	Kelsey Green, Kathleen Foley, Jemma Green, Reanna Shelling, Jim Lynch, Bob Altman	An Update on Western Bluebird Recovery in the Pacific Northwest
Elaine	Stewart	Metro		Guidance for Conserving Oregon's Native Turtles Including Best Management Practices
Kerwin	Talbot	Joint Base Lewis McChord		TA 13 Maneuver Space Determination and Visibility Analysis
Rhiannon	Thomas	US Army Corps of Engineers		Partnering with Alternative High Schools to Achieve Education and Restoration Goals on US Army Corps of Engineers Lands in Oregon
Ted	Thomas	US Fish and Wildlife Service	Joe Arnett, Peter Dunwiddie, Tom Kaye, Judy Lantor, Scott Pearson	Golden Paintbrush, On the Road to Recovery: What have we Accomplished, What next?
Cameron	Thomas	Washington State University - Vancouver	Co-presenter: Cheryl Schultz	Factors Affecting Ant Tending in Fender's Blue Butterfly (<i>Plebejus Icaroides Fenderi</i>): Implications for Habitat Restoration and Species Recovery.
Jerrmaine	Treadwell	Center for Natural Lands Management		Lark Wows: Exciting Streaked Horned Lark Behaviors and Survivorship through the Spotting Scope
